

Core Product Suite

Maple 2019 Professional Edition:	New:	Upgrade 2018:	Upgrade 2017, 2016: (3)
Stand-alone	\$2,990	\$1,545	\$1,810
Floating (10)	\$5,980	\$3,090	\$3,620
MapleSim 2018 Professional Edition: (1)	New:	Upgrade from 2017	Upgrade from 2016, 2015 (3)
Stand-alone	\$8,395	\$4,450	\$5,875
Floating (10)	\$16,790	\$8,900	\$11,750

EMP (Elite Maintenance Program)

- The first year of EMP is included on all purchases.
- Upon expiry, EMP can be renewed for 20% of the now current purchase price.

Network Installation

Unless otherwise noted, floating installation: 2x the listed price within a single country, 4x the listed price for multiple countries.

Approval from one of the Sales VPs is needed prior to quoting a multi-country license.

Home Use

Home Use Licenses may be acquired for up to the number of concurrent licenses for an additional 10% of total license cost, per the term of an active maintenance plan.

Upgrades

Unless otherwise specified:
50% of new license price for an upgrade from one version back.
70% of new license price for an upgrade from two or three versions back

Volume Discounts

Volume discounts for all Maplesoft Add-on and Toolbox products follow the same discount schedule as Maple.

Notes

- Support included on all products.
- (1) Requires Maple license.
 - (2) MapleNet is installed on a server, and the price stated is per core.
 - (3) Older versions of Maple /MapleSim do not qualify for upgrade discounts.
 - (4) Personal Edition supports up to 8 CPUs in cluster. Cluster Edition supports an unlimited number of CPUs in cluster
 - (5) Volume pricing available for node installations. Contact Maplesoft for details.
 - (6) Requires a MapleSim license.
 - (7) Plus instructor(s) travel/living expenses. For up to 4 Attendees.
 - (8) Annual licenses are valid for a 12 month duration. During the 12 month term, new product releases will be provided. After 12 months the user must re-purchase the license.
 - (9) MapleSim server is only available for use within the licensed organization. Additional fees may apply for use outside of the licensed organization.
 - (10) Prices listed are for single-country floating installation only.
 - (11) Maple & MapleSim Add-ons to be sold at full price when combined with MapleSim Explorer.

Multi-User Pricing

Number of Users:	Discount:
2 to 4	10%
5 to 9	20%
10+	26%

Training

Standard Onsite Training:	
Daily Rate (7)	\$2,500
Days 1-3 Bundle(7)	\$6,250
Additional person, per day	\$625
Minimum additional fee for custom content	\$1,875
Custom Online Training:	
Per hour	\$565
